☒ Alex Prime activated and configured
☒ Identity files created (IDENTITY.md, USER.md)
☒ Memory system initialized
☒ Security permissions fixed
☒ WhatsApp channel verified (inbound working)
☒ Strategic report created (18,000+ words)
☒ PDF generation capability installed
☒ Goals documented (memory/GOALS.md)

⚠ ISSUES / BLOCKERS

Issue	Status	Notes
WhatsApp bidirectional	⚠ Blocked	Same number linked - can't send to self
Web search	⚠ Blocked	Needs Brave API key

💡 IDEAS TO DISCUSS

- Second WhatsApp Business number for full messaging
- Telegram as alternative channel?
- Daily briefing schedule preference
- Preferred communication style

This file is my working memory. I update it as tasks evolve.
